

I work too much.		We want to go.	
Any old time		Show us around.	
Through the line		Form two lines.	
Right now		A small house also	
Mother means it.		Another old picture	
Same time tomorrow		Write one sentence.	
Tell the truth.		Set it up.	
A little boy		Put it there.	
The following day		Where does it end?	
We came home.		I don't feel well.
