

Which way?		From my room	
Each of us		It's been a long time.	
He has it.		Will you be good?	
What are these?		Give them to me.	
If we were older		Then we will go.	
There was an old man.		Now is the time.	
It's no use.		It's about time	
It may fall down.		An angry cat	
With his mom		May I go first?	
At your house		She said to go.
